In the table, there are lots of different homework activities to choose from. You can choose to do whatever you like each week, however by the end of the half term, you must have earned 10 stars. When you have completed a homework task, put a cross through the box and colour in the number of stars you achieved. If you manage to earn more than 10 stars over the half term, you will earn a prize and certificate. All work, certificates, photos of 3D activities and other homework will need to be completed/stuck in your homework book.
